**FREE!**  
**FREE!**

Yeah, that's right, **FREE**. Everything in here is **free**. It won't cost you a **DIME**, not **one red cent**. So, what are you waiting for? Pick it up and scan through it. Oh yeah, you've obviously already picked it up. Duh!

**So, now what?** Read an article or two. You might just learn something that turns out to be pretty valuable to you in the not so distant future. Getting ready to graduate soon? **What are you going to do?** Have you given it any thought, ANY at all? **Yes?** *Great!* Then you have probably seen this tabloid before and this is just another issue to add to your resources. **No?** You'll definitely want to open it up and see what awaits. Whether planning to go on to a two- or four-year college, go right to work, or maybe join the military, there's something of value in here for you.

Keep in mind, you are a major part of the information age after all. What that means is there is more and more information out there every day. Don't you think you should take advantage of even a tiny bit of what's being put out there for all to see? You can bet many of your fellow students are.

Of course you have the Internet and, yes, there's a ton of stuff out there in cyberspace for you to peruse. There is even a list of useful Internet sites in here for you to check out. Searching the 'net can sure be fun, but it can also be very time consuming, can't it? The stuff in here is all together for you in one nice neat package.

Anyway, you already have this in your hands so you may as well take advantage of it. When you're done with it, don't just toss it! If you'll be graduating this year, hang on to it. If not, put it in a file for later use, or give it to a friend or parent.

**Would you like:**

**\$250,000?**

Would you like an additional quarter-of-a-million dollars in your pocket?

Of course you would!

Who wouldn't?

The secret to how you can be on the receiving end of \$250,000 is right inside this paper. What are you waiting for? You'll not only discover how to get at that kind of money, you'll also find pages and pages of other useful information. Open it up and take advantage of what it has to offer.

**Good Luck!**
